

Enroll in a Full-Time MOCAP Program

Contact Provider

- Use the provider contact information provided on the MOCAP website at mocap.mo.gov to reach out to the provider you where you want to enroll your student.
- Make arrangements to enroll with the provider and provider's host district.

Complete Enrollment

- Complete the host district's and provider's enrollment process, including verification of Missouri residency.
- Your student will transfer from their current district of residence and become a student in the host district.

Select Classes

- The provider's staff will assist you and your student in selecting courses aligned to your student's interests and educational and grade-level requirements.

Participate in Classes

- Your student will participate regularly in all enrolled courses.
- Teachers and support staff from the MOCAP provider are available for assistance if your student encounters difficulties.
- Your student is required to participate in MAP and EOC tests.
