

# Enroll in MOCAP Courses

## Contact Your School

- Notify your school that your student would like to enroll in one or more MOCAP courses.
- Your school will make a decision to approve or deny your enrollment request.

## Provider Contact

- Your school district will contact the MOCAP course provider and begin the process of enrolling your student in the MOCAP course or courses.

## Select Classes

- The provider's staff and your school staff will assist in selecting courses aligned to your student's interests and educational and grade-level requirements.

## Participate in Classes

- Your student will participate regularly in all enrolled courses.
- Teachers and support staff from the MOCAP provider are available for assistance if your student encounters difficulties.
- Your student will participate in MAP and EOC tests in your school district.

## Monitor Progress

- Your student's progress in courses will be monitored by your school and will be shared with you.
