Dear Student,

To support our mission of **Building Balanced Men**, Sigma Phi Epsilon Fraternity is offering the Balanced Man Scholarship to outstanding young men entering Missouri University of Science & Technology.

We believe that recognizing students who exhibit balance and all-around excellence is a way to promote this important ideal. **This year we will award \$6000 in scholarships to incoming freshmen.** Our goal is to reward men who exemplify the qualities of a "Sound Mind and a Sound Body", as we believe they are essential to leading a balanced life. Applicants are not obligated to be affiliated with Sigma Phi Epsilon in order to be qualified for this scholarship.

Why is SigEp different? The Balanced Man Program offers a no pledging, no hazing, four-year experience, focused on personal and professional development. SigEp offers a full membership from day one to our new members, allowing them to attend chapter and participate in our revolutionary **New Member Accelerator Program** and the **Balanced Man Leadership Continuum**. Members learn to live their best lives through unique, rewarding programs tailored to fit their needs and prepare them for the life journey ahead. By developing a Sound Mind in a Sound Body, and with continuous membership development throughout all 4 years, SigEp members acquire the tools to build success that will last far beyond their college years into their careers.

SigEp is founded on the belief that we will always strive to be different. SigEp is one of the largest national fraternities in the country, boasting 319,000 lifetime members and 15,000 undergraduate members. Recently, members of Sigma Phi Epsilon at Missouri S&T have been at the forefront of academic excellence, achieving a 3.38 GPA average over the last five semesters. Since 2010, Sigma Phi Epsilon has consistently surpassed both the all male and all Greek averages. Notably, our freshmen achieved a 3.6 GPA during the Fall 2021 semester. **One fifth** of all 4.0 GPA's achieved by Greek males in Fall 2021 were SigEps. Of our 85 members, many participate in various club teams. SigEp has grown to be one of the premier student organizations by helping men develop the academic, mental and physical habits that lead to a balanced life. We are looking for the most balanced men on campus to be the future of this organization.

To qualify for the Balanced Man Scholarship you must attend Missouri S&T in the 2024-2025 school year. More information and an application can also be found online at sigep.org/missourist. Please submit your application by either completing the form online at sigep.org/missourist application or mail it to the address listed above. If you are selected as a semi-finalist, we will be contacting you for an interview.

Applicants have no obligation to join or affiliate with SigEp to be eligible for the scholarship. Should you have any questions concerning the Balanced Man Scholarship, do not hesitate to contact me at **816-969-0143** or email at ee5m7@umsystem.edu. **If you are interested in Sigma Phi Epsilon or Greek Life in general, stop by our booth and house on your A&R Day and contact me, or our Recruitment Chair, Gage Heil at 573-702-8088 or gjhmd@umsystem.edu.**

Sincerely,
